

Greenway Food Truck Program Returns Spring 2024

The fifteenth season of the highly-anticipated Greenway Conservancy Food Truck Program features exciting new vendors and returning favorites, each offering diverse cuisines on The Greenway

March 7, 2024 – BOSTON, MA – The [Rose Kennedy Greenway Conservancy](https://www.rosekennedygreenway.org/conservancy) announces the 2024 Food Truck Program schedule and lineup on The Greenway with 25 food vendors, including 9 new partners, beginning on **Monday, April 1**.

The Conservancy is delighted to work with an incredible group of diverse business owners within the Food Truck Program. Of the 25 local businesses, 17 identify as women-, BIPOC-, and/or LGBTQIA+ -Owned.

This year, the Conservancy welcomes 9 new trucks to the program - Bees and Thank You, Daddy's Bonetown Burgers, Hometown Poke, Mr Gourmet, North East of the Border, Smoke Food Truck, Tandoor and Curry on Wheels, Vita Gelato, and Zaaki. The season will also welcome a number of returning food truck partners including Bibim Box, Chicken and Rice Guys, Cookie Monstah, Gogi on the Block, Indulge India, Jamaica Mi Hungry, Moyzilla, Nothing Bundt Cakes,

Paisani, Revelry, Papi's Stuffed Sopapillas, Sweet Bubble, Tacos Calleteco, Tenoch, Vaz and Mac, and Wanderlust.

Sustainable practices continue to be a priority for The Greenway Food Truck Program in 2024. As in years past, the Conservancy will work to minimize the program's impact on the environment by prohibiting plastic straws in addition to polystyrene packaging and single-use plastic bags. We also encourage sustainable power sourcing and have one truck that runs on an electric battery rather than a generator. In addition, one of our new partners, Bees and Thank You, utilizes their business to engage with the public around the importance of pollinators and our role in sustainability. A portion of all proceeds goes towards helping their organization run bee sanctuaries in Boston, Massachusetts and New Boston, New Hampshire.

"The Conservancy is excited to welcome an expanded array of food vendors to The Greenway this season that offer unique and delicious food and drink options to park goers. Food trucks and carts are an accessible way for aspiring chefs to open their own business without the often unattainable costs that go into opening a brick and mortar restaurant. As a Conservancy, we strive to uplift small businesses and give them the platform, both literally in the park, and virtually through our media channels, to realize their potential" says Olivia Horte, Programs Manager at the Conservancy. "We are thrilled to offer increased seating options on Dewey Square as well as a new vending location in the North End neighborhood in 2024. We hope you will join us in enjoying a lunch or snack in the park as we look forward to the Spring ahead!"
